Case: P1384
Serial No.: NA
Filed: 07/14/2003
Subject: Portable CD-Player with Built-in CD Storage Mechanism

To the Commissioner of Patents and Trademarks
Washington, D.C. 20231

Letter to the Examiner

Dear Sir,

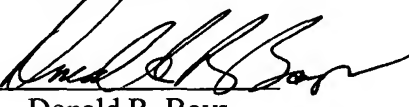

The above-mentioned inventor has participated in the document disclosure program. The specification for the above-mentioned patent application refers to Document Disclosure No. 504833, entitled "Portable Compact Disc Player with 4 CD Storage", which was assigned a filing date of January 31, 2002, and Document Disclosure No. 507652 entitled "Portable Compact Disc Player with 4 CD Storage", which was assigned a filing date of February 13, 2002. Further, please retain a copy of the disclosure documents in the present application file.

If there are any fees due beyond any fees paid with the present application and amendment, such fees are authorized to be deducted from deposit account 50-0534.

Respectfully Submitted,

Caryn Paige Rafferty
